Jessica:

It is Paul's position that the judgment against AMD is an AMD obligation and that AMD does not have any cash or assets to satisfy the judgment.

Subject: Order re: Fees

Christian:

You probably saw Judge Wells' order regarding fees. I am writing to you to understand what Paul Morrell's intentions are with respect to Global Freight's award of fees and the summary judgment ruling against AMD. Does Mr. Morrell intend to pay this or is it his position that AMD does not have the money to pay this? We would like to know before we go ahead with filing a motion to certify the judgment as final, seeking to collect against AMD, and moving for summary judgment against Paul Morrell, individually. If you could get back to me sometime this week I would appreciate that. Thank you.
